MEETING CSR TARGETS

PRESS RELEASE / JUL 2016

IIFCL’s Corporate Social Responsibility programmes aim to address the sustainability issues that are most relevant. The company will carry forward its CSR activities for upgrading social infrastructure in India.

IIFCL is committed to being a responsible company and making a positive contribution to society and environment through its Corporate Social Responsibility (CSR). IIFCL has partnerships with a wide range of organisations, including government, nonprofits, and private companies, to extend the impact of CSR programmes around the nation. These programmes aim to address the sustainability issues that are most relevant and can have the biggest impact.

So far, the company has covered diverse area requiring social interventions in 22 states of India. Keeping in view the statutory requirement of expending 2 per cent of the average net profit of the last three years under CSR as stipulated in the Companies Act, 2013, IIFCL has been able to comply with the mandate consecutively for the last two financial years.

Further, it is the intention of the company to carry forward its CSR activities for upgrading social infrastructure in India with a view to cover different sectors and reach out to the deserving sections of the society in a systematic manner.
